

# Getting Ready for 2022 Calling All Fathers

## Powerful Conversations with Fathers

The Head Start State Collaboration Office and the Fatherhood and Family Initiative is proud to present opportunities for fathers to come together and learn the latest education updates, learn from key state partners, provide support and share their stories. ***These sessions will be offered four times in 2023.*** Please join us to hear their stories and to provide feedback and ongoing support!

*Get ready for the greatest hour of powerful conversations ever!*
